Sir:

GROUP 3500

A copy of the filing receipt that has been issued in connection with this application is enclosed. The filing receipt contains a typographical error, in that it indicates that the title is "WHEEL RETENSION DEVICE RETENTION DEVICE" when in fact, the title of the invention is --**WHEEL RETENTION DEVICE**--, as indicated in the first pages of the transmittal, the specification, the declaration and power of attorney, the verified statement claiming small entity status, the assignment and also on the certificate of mailing and the return postcard (copies enclosed) with which this application was filed. It is therefore requested that a corrected filing receipt, indicating the title as **WHEEL RETENTION DEVICE** be issued.

Respectfully submitted,

James H. Walters, Reg. No. 35,731
